

MAY THE BEST VALUE WIN

WHAT ARE YOUR VALUES? WHICH DO YOU PRIORITIZE? DO YOUR ACTIONS SUPPORT YOUR PRIORITIES?

Narrowing down your focused values allows you to self check and reflect where your actions align. In this experience, you will narrow down your values via this "tournament bracket" and will determine which values make it all the way to the "championship". As you can see there are 8 empty brackets that require you to write

in a value. As you are battling out two values and deciding which one is more important to advance to the championship, think about the impact this value has had and will continue to have in living a balanced life. At the conclusion of this experience, you will write your winning value in the champion box. Be sure to compare your bracket with classmates, discuss what was easy, hard, and what made you think!
